Swimming

A message from a happy parent

Just wanted to say 'Thank You' and let you know how much I value the time and effort put into the organising and the running of the swimming pool.

My child absolutely loves the lessons and her swimming is improving by the day! I hope it's a resource we will continue to have for many years.

- Good way of finding out about the conversations I need to be having with my son. He's nearly 7 so just beginning to discover what's available online, so I'm grateful that there is support and advice I can access and also support him.*
- Lots of good information that I didn't know. I will get the TechSafe app.*
- Informative and helpful.*
