

**9th June 2017****What's Coming Up**

16.06.17 Yr.5 Give your Town the run around

**Winners of the Attendance  
Cup this week are;  
Morricone Class  
with 98.4%****Access Arrangements**

Thank you for being supportive of the revised access arrangements we have put in place for the security of our children. A few people have raised concerns about having to queue before and after school; however, having monitored the situation, if you arrive at school just before 8.45 there is no queue and you are able to walk straight onto the site. The same principle applies at the end of the day.

Please may we remind families that the double yellow lines on the roads around the school mean that there is **no parking allowed**; this includes waiting to drop off children. There is ample free car parking in Morrison's and Sainsbury's car parks. Once again, this is an issue that we raise for the safety of your children.

**Walk in Wednesdays**

Due to the nature of the current boiler works, for the next couple of weeks we will not be holding Walk in Wednesdays, as some of the classes have been temporarily relocated to the halls.

We should be able to resume this very soon and will keep you posted. Sorry for any inconvenience this may cause and thank you in advance for your cooperation.

**Ringworm**

We have had a few confirmed cases of Ringworm. If you think your child may have this please seek medical advice.

If your child has this condition they will not be able to swim until it has gone.

Thank you

**Family e-Safety Workshop**

As promised, the class that had the most families represented at the workshop will be rewarded with a cinema afternoon.

Well done Barlow class!

**Keep up the good work!**

**Can you help?**

*Before the half term break, children in Year 5/6 worked hard to make the planting area a more usable space.*

*In order to complete this area, we need approximately 30 more paving slabs.  
If you have any spare, we will gladly accept them.*

*Thank you to Mrs and Mr May, who have already donated 50 slabs. Please do go and have a look at the area which is next to the changing rooms.*

*Thank you in advance*

**Reminder**

Please can I remind all parents not to give their children talcum powders for health and safety reasons when swimming.

Many Thanks
