

I would like to take this opportunity to introduce our organisation, and myself to the families of St. Catherine's C of E Primary School.

My name is Karen Lawrence and I am the new Family Support Worker for St. Catherine's School. I also work for the HABs Family Support team.

My role is to provide high quality services for children, young people and their families in Wormley, Broxbourne and Hoddesdon and now direct to your school 2 days per week!

My role within the school is to provide help, support and information to all of the families with children here at St Catherine's, linked to any concern you may have about:

- Benefits and debt management
- Housing
- Anger and behaviour
- ADHD and Autism
- Internet safety
- Separation and contact arrangements
- Confidence and self-esteem
- Transitions
- Bereavement

Plus much much more!

We also offer:

- Parenting workshops linked to many areas of child development
- Funded activities places for children
- Funded family days out
- Financial help linked to clothing, utilities, food plus more (subject to criteria)

If you feel you would like some help or advice on any of the above, or anything else family related, please phone me or contact the school's main office and I will call you back.
